Queen Charlotte is one of his finest portraits. Thomas Gainsborough, one of the greatest representatives of the English school, was a portraitist and a landscape painter. His portraits are painted in clear tones. He was the herald of romanticism. But the realistic qualities of his art are sensed very strongly. 5. I prefer landscape to other genre. Landscape art is a term that covers the depiction of natural scenery such as mountains, valleys, trees, rivers, and forests, and especially art where the main subject is a wide view, with its elements arranged into a coherent composition. In other works landscape backgrounds for figures can still form an important part of the work. Sky is almost always included in the view, and weather is often an element of the composition.
