Leverage Your Business to Greater Success by Mastering Legal Principles. I created this course because I hated to see so many smart, focused, entrepreneurial adult students struggle with the basics of business law in my classroom. I have practiced, researched, and/or taught law in two countries and yes, it's complicated – but the principals of law are so incredibly powerful, so perfectly developed to turbocharge your business efforts or sink th From leaving your current job to taking your company public, THE ENTREPRENEUR'S GUIDE TO BUSINESS LAW has the information you need to avoid potentially costly missteps. This book contains 17 chapters that follow the progression of a start-up business and anticipate its legal concerns through each stage of growth, with essential coverage of e-commerce and international issues where appropriate. 3e.
