Class Policies and Suggestions

(1) *Late Work*: Normally students must turn in assignments and take quizzes/tests on the dates specified. If for some reason this is impossible, students must notify the instructor in advance or receive a 20 point penalty.

(2) *Questions*: In language study it is normal for students to have gaps in their understanding of new material. Please ask questions when you do not understand some feature we are studying. Usually many other students have the same question.

(3) *Group Study*: Language is retained and clarified through use and interaction. Feel free to study with other students and help each other with the exercises. However, be careful to not become dependent on other students.
