In private practice since 1995, Dr. Brown is perhaps best known as the coauthor of the 411 parenting book series — Expecting 411: Clear Answers and Smart Advice for Your Pregnancy, Baby 411, and Toddler 411 (Windsor Peak Press). In response to the recent media attention given to vaccines, autism, and other controversies concerning vaccines, the Immunization Action Coalition (IAC) offers this special excerpt from Baby 411 that answers these questions and more. Through the years, governments have been responsible for managing numerous programs. The most important advances in public health have been vaccination programs, water purification, and waste disposal/sanitation systems. The only way for public health to work, though, is for all members of. Dr. Spock meets Judge Judy—finally a parenting book that separates fact from fiction. Nevertheless, this is a GREAT reference for all things parenting in the first 2 years of a baby's life. I'm glad I read it so that in case anything should go wrong with my little one (heaven forbid!), I'll know where to start. This book also has helpful guides to online The only reason I am not giving this book 5 stars is because it freaked me out a little. I'm not sure it is wise to read about every little disease, virus, and genetic abnormality that your baby could have before you give birth. Nevertheless, this is a GREAT reference for all things parenting in the first 2 years
