The First serious work of Burke has become a "Philosophical studies on the origin of our ideas about high and beautiful". After the publication of this work in 1757, the author drew the attention of the most eminent thinkers of the era: Lessing, Kant, and Diderot. Burke, Edmund has acquired a recognized reputation among the literati. In addition, the study allowed him to launch his political career. Another major success of the writer in those years was the magazine "Annual register". Aestheticism (also the Aesthetic Movement) is an intellectual and art movement supporting the emphasis of aesthetic values more than social-political themes for literature, fine art, music and other arts. This meant that art from this particular movement focused more on being beautiful rather than having a deeper meaning — "art for art's sake". It was particularly prominent in England during the late 19th century, supported by notable figures such as Walter Pater and Oscar Wilde. The movement started A "Politic Well-Wrought Veil" : Edmund Burke's Politico- Aesthetic. Tom Furniss, Edmund Burke's Aesthetic Ideology. A. Arblaster - forthcoming - Radical Philosophy. Edmund Burke, Volume li: 1784-1797. F. P. Lock - 2009 - Oxford University Press. The Metaphysics of Edmund Burke. For Burke, the French revolutionaries were the perfect Jews; their revolution was, in essence, the systematic Judaization of European life and culture. In using government as a vehicle for utopian political experimentation, they manifested a high time preference, the opposite of the Williamite "long view" toward the effects of government policy on national community. In this respect, they mirrored the short-sighted greed and selfishness of the Jews. Burke's anti-Jewish polemic conceptualizes Jewish identity as a series of monetary transactions, such as bartering, brokering, buying, selling and mortgaging. This is because, historically, the stereotypical Jew was always defined in terms of his relation to money and its function in the market economy.
