Revolution in the stacks: a bibliography of selected multimedia anarchist resources in English

Kevin Stranack (Librarian, Simon Fraser University, Burnaby, Canada)

Collection Building

ISSN: 0160-4953

Publication date: 1 September 2004

Abstract

Provides a selective bibliography of English language multimedia resources for librarians, teachers, students, and activists interested in anarchism. Includes lists of suggested books, encyclopedias, journals, music, Web sites, e-books, videos, and indexes, as well as selection tools to assist librarians in developing anarchist collections.

English Revolution refers to the profound changes that the English monarchical system underwent during the years 1642–60 and 1688. The term itself and the historical interpretation of these events have long been a matter of debate by historians and the weight assigned to the causal factors is a controversial issue to the
