### Summary:

Presents a description of Tyndale's theological importance. This work acknowledges that the great reformer was influenced by continental theology, and focuses on the richness of the man's intellectual background. His theological roots lie in the Lollard tradition, but his expression and thrust show that there was a lot more to this man. This is a major and original description of Tyndale's theological importance. Ralph Werrell acknowledges that the great reformer was undoubtedly influenced by continental theology, but he focuses on the richness of the man's intellectual background. Tyndale's theological roots lie in the Lollard tradition, but his expression and thrust show that there was a lot more to this man. Werrell scrutinizes all these factors, presenting a fresh and original picture of the martyr. Tyndale opened up a new strand of Reformation theology. He should be recognised not only for his contribution to the development of the English language, but also for providing us with a reformed theology, bringing new scriptural insights into Christian and academic thinking. Tyndale's contribution to English thought has all too often been under-played - Werrell redresses the balance.

Theology in the city: ten years after 'Faith in the city'. March 1996. Elaine L. Graham. This redefinition is important, for to move from a narrow Christocentrism or theocentrism to a theology of mission that could appear to delink the Spirit from the Father and Son in favor of understanding the Spirit as a "cosmic force," a "cosmic energy" is as limiting as the problem it tries to resolve. Master of Theology. Doctor of Ministry. Doctor of Philosophy. These two quotes from William Tyndale encapsulate his desire to see all his fellow Englishman know the Scriptures, from the plough boy to the king. Yet there is much more that we could learn from William Tyndale, especially from his own words. a duty to Jesus Christ. On the topic of translation, he wrote that he felt it was his duty to translate, even if his New Testament was burned by the church authorities. 6 William Tyndale, *Doctrinal Treatises and Introductions to Different Portions of the Holy Scriptures*, ed. Henry Walter (Cambridge: Cambridge University Press), 499. 7 *Ibid*, 135. Tyndale and his amanuensis William Roye, an Augustinian friar of Jewish background from Calais, worked together on translating the New Testament using Erasmus' Greek New Testament, the Vulgate, and Luther's German Bible as sources. In the spring of 1525, they moved on to Cologne, a center of printing, and by autumn of that year they handed a finished copy to a Cologne printer who managed to print out 3,000 copies of the first eighty pages before the local authorities ordered him to stop. The anti-Lutheran controversialist known as Cochlaeus had infiltrated the ranks of the printers and had dis Christian Theology. Theological FAQ. Christian Life. William Tyndale: Father of the English Bible. William Tyndale: Father of the English Bible. How many Bibles do you have in your house? For most of us, Bibles are easily accessible, and many of us have several. That we have the Bible in English owes much to William Tyndale, sometimes called the Father of the English Bible. Portrait of William Tyndale. Betrayal and Martyrdom. Tyndale was finally found by an Englishman who pretended to be his friend but then turned him over to the authorities.
