The Legal Writing section includes samples of legal writing, such as letters, a court brief, and a legal memorandum, though throughout the book, Bouchoux integrates writing strategies into each research chapter to demonstrate the link between the two processes. In addition, there is thorough coverage of electronic research, including a chapter on internet research as well as fee-based services such as Lexis Advance and Westlaw. Peter Seracino Inglott with Arvid Pardo and Elisabeth Mann Borgese in elucidating the concept of the Common Heritage of Mankind and bringing it to the attention of the United Nations where it has had a lasting impact through the UN Convention on the Law of the Sea. I would love to learn even more about how these three brilliant people worked together on this. It is the freedom mankind longs for: wide open space, together with savagery, the untamable roaring, the salty air which lets one breath freer and makes the heart beat faster. that there shall be no amendments to the basic principle relating to the common heritage of mankind set forth in article 136 and that they shall not be party to any agreement in derogation thereof,[12], which is again acknowledged in paragraph two of the Preamble of the 1994 Agreement, reaffirming that the seabed and ocean floor and subsoil thereof, as well as the resources of the Area, are the common heritage of mankind, the legal implication of the concept remains vague. ^ Taylor, Prue; Stroud, Lucy (2013).
