In this unflinching memoir of his 40 years of working for human rights, noted activist Neier brings to light his many successes as well as his "mistakes and errors in judgment"; with 20/20 hindsight and refreshing honesty, he even describes some of the stances he's reconsidered. The volume's three sections recount Neier's tenures at the ACLU (1963-78), where he rose from field director to executive director; as a founding member of Human Rights Watch (1978-93); and his current post as head of the Soros Foundations and the Open Society Institute (1993-present). - New York Review of Books, May 15, 2003. "an intellectual history of the rights movement in the United States and abroad, as told by a...highly effective protagonist." - Washington Post, March 9, 2003. About the Author. The Wilson Center's Middle East Program serves as a crucial resource for the policymaking community and beyond, providing analyses and research that helps inform U.S. foreign policymaking, stimulates public debate, and expands knowledge about issues in the wider Middle East and North Africa (MENA) region. Taking Liberties (also known as Taking Liberties Since 1997) is a British documentary film about the erosion of civil liberties in the United Kingdom and increase of surveillance under the government of Tony Blair. It was released in the UK on 8 June 2007. The director, Chris Atkins, said on 1 May that he wanted to expose "the Orwellian state" that now threatened Britain as a result of Mr Blair's policies. There is also an accompanying book.
