#### Description:

In the year 2044, reality is an ugly place. The only time teenage Wade Watts really feels alive is when he's jacked into the virtual utopia known as the OASIS. Wade's devoted his life to studying the puzzles hidden within this world's digital confines-- puzzles that are based on their creator's obsession with the pop culture of decades past and that promise massive power and fortune to whoever can unlock them. But when Wade stumbles upon the first clue, he finds himself beset by players willing to kill to take this ultimate prize. The race is on, and if Wade's going to survive, he'll have to win--and confront the real world he's always been so desperate to escape.

Check out my Ready Player One novel review: A hidden treasure is up for grabs. Players from all over the world are your enemies. Are you ready, Player One? As it seems, Halliday made an online contest in OASIS and he will leave his fortune, 130 billion dollars, to the first one who™d win the contest. What is Oasis? I™m glad you asked. OASIS is my heaven. It has started as a multiplayer virtual game and, in a few years, has been developed to a full reality. People go there to have fun, learn, study, make friends, relationships. People even get married without even meeting the other person. Ready Player One is a 2011 science fiction novel, and the debut novel of American author Ernest Cline. The story, set in a dystopian 2040s, follows protagonist Wade Watts on his search for an Easter egg in a worldwide virtual reality game, the discovery of which will lead him to inherit the game creator's fortune. Cline sold the rights to publish the novel in June 2010, in a bidding war to the Crown Publishing Group (a division of Random House). The book was published on August 16, 2011. An audiobook Ready Player One is a 2011 science fiction novel, and the debut novel of American author Ernest Cline. The story, set in a dystopia in 2044, follows protagonist Wade Watts on his search for an Easter egg in a worldwide virtual reality game, the discovery of which will lead him to inherit the game creator's fortune. Cline sold the rights to publish the novel in June 2010, in a bidding war to the Crown Publishing Group (a division of Random House).[1] The book was published on August 16, 2011.[2] An audiobook was released the same day; it was narrated by Wil Wheaton, who was mentioned brief
