Light And Shadow Manga: [English] It's a rude insult when lowly and headstrong servant Edna comes to marry Duke Eli, instead of the noble daughter he expected. But the ambitious maid hides an even bigger secret behind her obvious ruse – one that could change the kingdom's very history. Can the two find freedom, redemption – and love – without drawing their swords on each other? Based on the hit novels by Korean author Ryu Hyang [Spanish] Es un gran insulto cuando Edna, la humilde y testaruda sirvienta, se casa con el Duque Eli, en lugar de la noble hija que este esperaba.
