These multifaceted reference books make language easy with shortcuts, key situational phrases and common Q&As, such that those using them will never be stuck for words. Made for travellers (adjusted by means of a system of phonetic transliteration to speakers from English language backgrounds) who have a genuine desire to interact with locals in a wide variety of situations and immerse themselves in a particular culture - this pocket reference is a travellers' passport to culturally enriching their experience with the most relevant and useful phrases and vocabulary for most typical situations one may encounter. The Croatian phrasebook, unique in being the first of its kind for Croatian as an emergent new language in its own right, is supplemented with an extensive dictionary such that the user will never be stuck for words. The phrasebook offers a truly comprehensive mix of practical and social words and phrases, allowing the traveller to immediately start chatting with the locals and discover their culture, all the while independently taking care of their routine needs, all together for a guaranteed way to enrich their travel experience.
