### Reviews

*These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.*

-- **Laney Morissette**

*Without doubt, this is the very best operate by any writer. This is for all those who statte that there was not a well worth reading through. I discovered this pdf from my dad and i suggested this book to find out.*

-- **Dominique Huel**

The Formula One Miscellany Hardcover â€œ March 4, 2014. by. John White (Author).Â As a Formula 1 fan for nearly 30 years, I still can't get enough data on the races, drivers and cars. At first glance this book appears to be an interesting, well researched and easy to read dose of F1 history, facts and figures. Unfortunately when one digs in, the number of inexcusable errors grows. One example states that the Red Bull team started their first race in Bahrain in 2006 (correct answer: Toro Rosso). The concept is good, but the author's delivery is remarkably sloppy - especially for a book this small. There are better books out there, don't waste your money buying Painstakingly researched, "The Formula One Miscellany", which contains driver biographies, circuit descriptions, team information, details of the famous head-to-heads and much more, will bring hours of reading pleasure to all fans of Formula One. About the Author. John White is a lifelong sports fan who has dedicated his spare time, and his computer, to compiling a massively comprehensive database of sporting facts and figures. He is the author of six other sporting miscellanies. A Belfast man, he has followed F1 since his compatriot John Watson nearly became Northern Ireland's Dr John White, Sir Stirling Moss. Formula One's World Championship has a reputation for glamour, glitz, glory . . . and a huge, devoted fan base. Painstakingly researched, this updated edition of The Formula One Miscellany covers the sport from starting flag to the finish line with driver biographies, track descriptions, team information, details of the famous head-to-heads, and much more. show more.

Painstakingly researched, The Formula One Miscellany, which contains driver biographies, track descriptions, team information, details of the famous head-to-heads and much more, will bring hours of reading pleasure to all fans of Formula One.
