What you say is your faith speaking. This works in a negative way just as it does in a positive way. We see an example of this in the Old Testament story of the twelve spies who were sent into Canaan to spy out the land. A Report of Fear. Numbers 13:17, 18, 25, 27, 28, 30-32. 17 And Moses sent them to spy out the land of Canaan, and said unto them, Get you up this way southward, and go up into the mountain. I thank God for this teaching as well. indeed i can have what i say..thank you for teaching me what i did not know, i am ready to learn and change my life by these teachings. please always remember me in prayer (i want to discover Gods will for my life). I recommend this book to anyone who wants to change their lives from lack to abundance. I gave this book five stars because it it changed my life and the way I think using GOD's WORD! We are oftentimes snared by what we say because our lives truly follows our words. This book will help provide the seriousness of why we should be speaking life instead of death and defeat. Definitely read this book and dare to change!
