Follow Us. About â€¢ Contact â€¢ Privacy Policy â€¢ Partners â€¢ Sponsors â€¢ Ra was an Egyptian sun god, and his eye is considered an extension of his power. While the Eye of Ra reflects many of the same concepts as the Eye of Horus, it also comes with an aspect of danger and violence, as it represents the heat and wrath of the sun. Ankh. Ankh. The ankh is one of the most common ancient Egyptian hieroglyphs, used in art, writing and decorations.Â If you are particularly interested in ancient Egypt and its language and symbols, considering undertaking study in the area. There are many educational institutions which offer degrees and other certificates in Egyptology, Egyptian history and archaeology. While the field is quite competitive, with enough study, time and dedication it should be possible to find work. The Complete Gods and Goddesses of Ancient Egypt by Richard H. Wilkinson Paperback \$23.95. In Stock. Ships from and sold by Amazon.com. Egyptian Mythology: A Guide to the Gods, Goddesses, and Traditions of Ancient Egypt by Geraldine Pinch Paperback \$16.23. In Stock.Â Look for other "dictionaries" on Egyptian religion if you really want to know Read more. 20 people found this helpful.Â It is a great book, giving details of ancient symbols and meanings from Ancient Egypt. It is a must for all those out there who have visited, or who are mystified by the fascinating country of Egypt. The cleverness of this race goes beyond words. For all those out there who have never been to Egypt, but are considering going, YOU HAVE TO!!!! I've been 3 times in a year. Most Egyptian gods represented one principle aspect of the world: Ra was the sun god, for example, and Nut was goddess of the sky. The characters of the gods were not clearly defined. Most were generally benevolent but their favor could not be counted on. Some gods were spiteful and had to be placated. Some, such as Neith, Sekhmet, and Mut, had changeable characters.Â Horus was worshipped throughout Egypt and was particularly associated with Edfu, the site of the ancient city of Mesen, where his temple can still be seen. There are many stories of his wars against his uncle Seth, who murdered his father and usurped the throne. Eventually Horus defeated Seth and became the king of Egypt. Isis. An Illustrated Dictionary of the Gods and Symbols of Ancient Egypt. London: Thames and Hudson, 1980. Much like George Hart's Dictionary (see above), it is a mini encyclopedia describing the gods and symbols of Egypt. It is very good, although Hart's work is preferred. Mertz, Barbara. Temples, Tombs, and Hieroglyphs: A Popular History of Ancient Egypt.Â A small book about the pioneers who explored Egypt and made some of the most fabulous discoveries. Great for those interested in the history of Egyptology. Wilkinson, Richard H. Reading Egyptian Art: A Hieroglyphic Guide to Ancient Egyptian Painting and Sculpture. London: Thames and Hudson, 1992. Another personal favorite. It intimately ties the symbols of ancient Egypt to actual cases of their use in art.
