Skip to main content Skip to search. Drupal.org home. Why Drupal? i have generated a patch that does a simple menu search on the admin_menu. i added a textfield right of the menu items. if you type some letter in it, a new menu will appear with the filtered menu elements. (look attachments). it works on the client-side with jquery script. Remaining tasks. Search and Run are missing from my Win 7 start menu. Where it should appear on the menu is blank, empty space. I followed the instructions found elsewhere on this forum to add the "Run" prompt but all. Search and Run are missing from my Win 7 start menu. Where it should appear on the menu is blank, empty space. I followed the instructions found elsewhere on this forum to add the "Run" prompt but all I got was another blank line. Antivirus scan (Kaspersky) found nothing. Search. OUR MENU. Espresso. Mushroom Mocha Latte. Oat milk, espresso, MCT oil, *eunoia superfoods- 'mind over matter' blend (maca, lions mane, cocoa) . . . Chaga Charger Latte. Almond milk, espresso, chaga, maca . . . Mct Bulletproof.
