

MEMORIAL FUNDS AND MEDALS

Morton Allport Memorial Fund (1879)

The sum of £200 was raised by special subscription as a memorial to Morton Allport, a generous donor of collections to the Museum and a contributor of numerous papers, who also took an active interest in the introduction of salmon and other trout. The income accruing from the Memorial Fund is applied to the purchase of scientific books.

R. M. Johnston Memorial Fund (1920)

The sum of £230 was subscribed as a memorial to R. M. Johnston, Government Statistician, a member of the Society from 1883 till his death in 1918, and a Member of the Council and Vice-President for many years. During that time he contributed 103 papers, the subjects embracing statistics, geology, botany, zoology, and palaeontology. He will be remembered not only by students of social and economic science, but also by those interested in Tasmanian geology.

The Memorial Fund provides for (1) Lecture, (2) Medal to be presented to the lecturer, and (3) Purchase of books.
